About NASFAA

The National Association of Student Financial Aid Administrators (NASFAA) is the only national, nonprofit association with a primary focus on information dissemination, professional development, and legislative and regulatory analysis related to federal student aid programs authorized under Title IV of the Higher Education Act of 1965, as amended. Our membership consists of more than 32,000 student financial assistance professionals at nearly 3,000 colleges, universities, and career schools across the country. NASFAA member institutions serve nine out of every 10 undergraduates in the United States.

NASFAA is a nonpartisan organization that advocates for public policies that increase student access to and success in postsecondary education, most often in the context of Higher Education Act reauthorization and the budget and appropriations process.
